

FACILITY FACTS

Accommodations: 53 guest rooms which range from country cottages to spacious hotel style accommodations. As an option, rooms can be converted to dorm style to accommodate 8 people with a private bath in each room.

Recreational Facilities: Two swimming pools, jacuzzi spa, Dalton Pond for boating or fishing, horseshoe pits, basketball, volleyball, and tennis courts, game pavilion with ping pong & pool tables, sports field, Ropes Adventure Challenge Course, horseback riding stables, barnyard petting farm, campfire amphitheater, outdoor stage, aquatic waterslides and trampoline center.

Location: 30 minutes east of Fresno/Yosemite International Airport, ½ hour from the Reedley Municipal Airport and 45 minutes east of Fresno off Highway 99. Located in the Sierra foothills, near the Kings River and minutes below Sequoia/Kings Canyon National Parks.

Weather: Located above the fog and below the snow at a 600' elevation, Wonder Valley's weather is pleasant any time of year.

Meeting Room Facilities: Our goal at Wonder Valley is to provide you with the comforts necessary for a successful conference or retreat in a unique and peaceful environment that will enhance your pleasure and productivity. All meeting rooms are equipped with standard audio-visual equipment, high speed Internet access, and individually controlled heating and air conditioning. They are very versatile and most can serve as a business conference room, hospitality/gathering room or private dining room.

Lakeshore Lodge & Patio: Located in the center of our resort property, the lodge serves as the main dining hall area. It overlooks Dalton Pond and is an ideal location for banquets, parties and large meetings. The adjacent Lakeshore Patio is located at the water's edge. It can seat up to 400 for outside dining or provide an outside area for your favorite beverage at sunset.

Lakeshore Lounge: Located inside Lakeshore Lodge, its ceiling to floor stone fireplace, 61" television and full service bar provide a cozy location for social gatherings. Additionally it has a sound proof, movable dividing wall which allows it to be converted to a meeting facility when desired.

Sycamore Room: Located inside the Sycamore Building, this warm and inviting yet spacious room has a stone fireplace and service bar. It also has three adjoining suites that can be used in conjunction with the meeting room or as separate sleeping units.

Buckaroo Room: Located in the Dalton Lodge, the ambience of this room is enhanced by an open beamed ceiling and pellet stove. It opens out to the large and shady Dalton Patio.

FACILITY FACTS

Dalton Room: Centered in the Dalton Lodge, this spacious room has a ceiling to floor stone fireplace, stained glass art and a wall of windows overlooking Dalton Patio and Dalton Pond.

Oakroom: Our smallest conference room designed for more intimate meetings. It is adjacent to the Lakeside rooms and has a service bar and a small, attached patio for fresh air breaks.

Legacy Lodge: Completed in January 2008, this 6,200 sq. ft. Events Center overlooks Dalton Pond and is adjacent to our Lakeview Wedding Garden and Gazebo. This facility contains the 4000 sq. ft. Legacy Room that can optionally be converted into the Pierson Room, the Webb Room and the Oken Room by using sound proof, movable dividing walls. The Glenn View Room is also located in this facility and is used primarily for Leisure Traveler dining.
